

6th October 2020

Dear Rosemellin School Council,

Congratulations, you are the winners of the CAPH Think BIG competition 2020!

The judges loved your idea to **create an outside reading space**. Your love of reading really shines through in your video. How fantastic it will be to have a lovely Reading Shed available to relax in with a good book, rather than a hard floor and itchy grass to sit on!

The judges were impressed that you have already started raising money and have ideas for how to keep fundraising. You have included the whole school in the decision making with the vote on where best to locate the Reading Shed – democracy in action!

You did a great job on the library redesign, we can't wait to see some pictures of the Reading Shed, cushions are a must!

The reading karate bands look great, how can we get some?

We will contact your school office to make sure you get the £500 safely so you can start work on the Reading Shed ASAP!

Well done to all the pupils who have taken part in this wonderful Think BIG pitch.

All the best

A handwritten signature in black ink that reads 'K/Chandler'.
